QUALITY POLICY

COBORE recognizes that quality assurance is fundamental to all work undertaken by the company in supplying customers with consistent high quality products. Further, COBORE's customers value our high quality above all other aspects of our business. COBORE's commitment to quality includes competent employees, systematic processes, quality objectives and continual process improvement.

We believe our goal of providing quality products that meet or exceed customer requirements is best achieved by maintaining a Quality Management System meeting the requirements of ANSI/ISO/ASQ Q9001-2015.

The following statements summarize COBORE's Quality Policy:

- Quality is Everyone's Job
- Meet or Exceed Customer Requirements
- Achieve COBORE's Quality Objectives
- Continually Improve our Processes
- Maintain ISO 9001 Certification
